Assistant Director  
Johnson County Emergency Management and Homeland Security  
111 S. Cherry St., Suite 100  
Olathe, KS 66061

Dear Mr. May:

This letter grants your request, dated November 2, 2009, on behalf of the Metropolitan Emergency Managers Committee of the Kansas City region, for a waiver to permit certain Amateur Radio Service licensees who are employees of local government entities to transmit communications on behalf of their employers during an upcoming government emergency drill.

In your request, you state that the Metropolitan Emergency Managers Committee of the Kansas City region will be holding an exercise on November 7, 2009. You state that this exercise will test the communications capabilities of emergency management officials in the event of a multi-tornado touchdown in the region. The drill will be held at a variety of sites throughout the nine-county Kansas City metropolitan area.

Section 97.113(a)(3) of the Commission's Rules, 47 C.F.R. § 97.113(a)(3), prohibits amateur licensees from transmitting communications in which they have a pecuniary interest, including communications on behalf of an employer. You therefore request a waiver of this rule to permit the following amateur licensees, who are employees of local government entities, to transmit communications on behalf of their employer in connection with the exercise:

Section 1.3 of the Commission's Rules, 47 C.F.R. § 1.3, provides that the Commission may waive its rules if good cause for waiver is shown. We conclude that grant of the waiver request is appropriate under the circumstances presented. The public interest in facilitating the November 7 public safety exercise by permitting the specified amateur licensees to participate warrants this limited waiver of Section 97.113(a)(3). This waiver grant permits transmission of communications by the above-listed amateur employees on behalf of their employer during the November 7, 2009, exercise, and immediately prior to the exercise for the purpose of operational testing of equipment.

Accordingly, IT IS ORDERED that the waiver request of the Metropolitan Emergency Managers Committee of the Kansas City region, dated November 2, 2009, IS GRANTED.

This action is taken under delegated authority pursuant to Sections 0.131 and 0.331 of the Commission's Rules, 47 C.F.R. §§ 0.131, 0.331.
